

Says

What have we heard them say?  
What can we imagine them saying?

Thinks

What are their wants, needs, hopes, and dreams?  
What other thoughts might influence their behavior?

invitation

its my birth day on {02.08.2023 },and you are invited to cut the cake with me at 03 pm , to make the occasion special

its my birth day party ,and that calls for celebration

My birth day party would not be a celebration without you

You are joyfully invited to attend A speecial celebration in honor of my Birth day

turning another year older than the previous one is surly a special event in ones life.

Birth day are best spent when they are spent with people you love and appreciate

RSVP request often include a dadline for response ,as the host is finalizing numbers for the caterer, event site, favours, and other event details.

Its best to tespond as soon as possible rather than delay

If you want to attend but are unable to give a definire response before the deadline

The invitation of feel is what allows us to communicate our intention through physical expression. The quility of our feel expreses.

Wthether we are moving we are moving within the atmoshphere of demond and authority .

Through body and leg, there is a deep chasm between strength that yields, and strength that holds.

Does

What behavior have we observed?  
What can we imagine them doing?

Feels

What are their fears, frustrations, and anxieties?  
What other feelings might influence their behavior?
